SJÖBERGS CLAMPING PLATFORM

Nr 33467

clamping platform

SJÖBERGS CLAMPING PLATFORM – THE PROFESSIONAL’S CHOICE!

With our new SJÖBERGS CLAMPING PLATFORM, the SJÖBERGS ORIGINAL 1900 and SJÖBERGS ELITE workbenches will be more flexible and will create a bigger working surface. The CLAMPING PLATFORM extends the bench by 480 mm. All the 19 mm diameter dog holes make the bench more flexible and suitable for most existing clamping systems on the market. It also handles our Holdfast ST11. You can fasten on both the top and the skirts around the Platform.

It can also be used as a separate work surface by attaching it to a wall. The Platform is made of solid European beech and treated with a first class natural oil. Supplied with 4x19 mm bench dogs.
