sjobergs cabinet 1, smart pocketdoor, proposal for woodworking room

THE SJÖBERGS CABINET 1

A robust, attractive and clever cabinet for versatile storage. Frame and interior are made of 18 mm (3/4") birch plywood which provides stability and durability. Doors to the smart recessed design that permits them to slide back into the cabinet when opened. No more swinging doors that are in the way. The Sjöbergs Cabinet 1 can be adapted to meet a variety of storage needs such as tools, office stationery and computers. The cabinet comes in handy knock-down packages.

All our cabinets are supplied in a knock-down form to minimize the risk of damage and reduce shipping costs. The assembly is very simple.
