

# Sjöbergs Smart Clamper

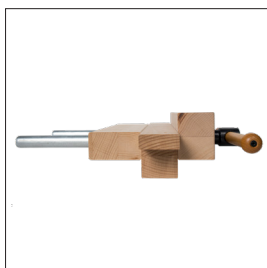

Sjöbergs Smart Clamper is a mobile vice made from tough, solid beech wood fitted to a strong vice with galvanised steel guide rods. The same vice that is found on Sjöbergs range of hobby benches.

The vice capacity is 115 mm. The total width of the Smart Clamper is 400 mm. The vice is 300mm. The weight is only 4 kg (8,82lb). The vice can easily be transported or fixed at any table or bench with clamps or screws.

Sjöbergs Smart Clamper can also be used as a vice when you want to build your own bench.

If you need to change grip on a golf club or change a blade on a machine? Perhaps you want to make your own fly fishing lure, paint something or perhaps glue a broken vase? Sjöbergs Smart Clamper lets you work with both hands free.

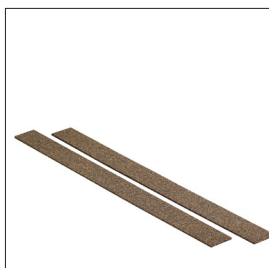

## Product information

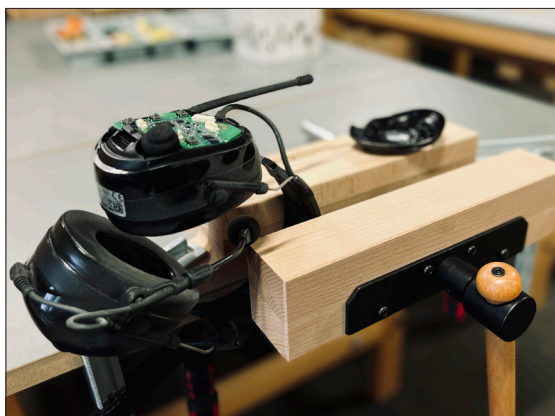

### Smart Clamper

Art.nr	33330	
EAN	7316703330102	
Height	100 mm	3 <sup>15</sup> / <sub>16</sub> in
Width	400 mm	11 <sup>13</sup> / <sub>16</sub> in
Depth	430	16 <sup>59</sup> / <sub>64</sub> in
Vise capacity	115 mm	4 <sup>17</sup> / <sub>32</sub> in
Weight	4,5 kg	8,82lb

## Accessories

Sjöbergs Jaw cushions  
Art nr 33381

## Package size

Smart Clamper	
440x330x110 mm	17 <sup>21</sup> / <sub>64</sub> x12 <sup>63</sup> / <sub>64</sub> x 4 <sup>21</sup> / <sub>64</sub> in
